

Call for Expression of Interest for Transfer of following technologies:

1. A bioengineered aqueous dispersible turmeric derived formulation for development of haldi doodh and its variants- dairy based functional beverage.
2. A bioengineered aqueous dispersible turmeric derived formulation for development of haldi shots- functional beverage.

[you may tick either or both depending on your interest]

The purpose of this call for EoI is to identify appropriate technology seekers/industries who could be selected to make proposals to Punjabi University, Patiala. It does not constitute an invitation to tender. Only industries deemed qualified by PUP will receive the invitation to tender.

PUP is the sole judge for the pre-selection of industries. The selection will take into account the following criteria:

- Experience of the industry
- Annual turnover
- Current products and market niche
- Number of plants/units
- Number of employees
- Equipment/machinery

Interested industry wishing to participate in the prequalification procedure may download the EoI form and return it duly completed to the following email address, latest by 22nd November 2019:

[download EoI form]

dpm@pbi.ac.in with cc to minnisingh@pbi.ac.in

Along with the EoI form you will also need to send the brief profile of the industry.
