Department of Physical Education  
Punjabi University Patiala

### Invitation

It is our honor and indeed a pleasure to host seven days national workshop on Scientific Advancements in Physical Education and Sports from 12th – 18th April, 2018 at Punjabi University Patiala. The purpose of the workshop is to update physical education professionals in the latest trends in physical education and sports coaching. We have made serious efforts to provide wide range of interesting topics from the field of physical education & sports which will be presented by well-known speakers. In addition to presentation sessions, we are organizing tutorial lectures and practical classes for physical education professionals. We sincerely invite you to take this unique opportunity in exploring your professional knowledge.
