**About Company**

With offices worldwide, Incrementum Technology Solutions PVT. LTD (Part of Rapid group) is growing fast year by year to establish itself in various sectors, providing a reputation for growth in the UK, the rest of Europe and the United States. We currently hold our main European headquarters out of two locations, the prestigious Piccadilly in London, and The Factory based in the Berlin Valley, one of Europe's most prized technology hubs, and Gurugram proving our backbone. Our Indian operation runs from JMD building, Sohna road, sector 48, which will support our growth plans.

We provide IT solution for a specific niche with our custom tech services (enterprise software and mobile applications) and in-house tech products, for more info please feel free to visit: <http://incrementum-tech.net/> With employees working in London / Berlin/India and turnover runs 6 million US dollars plus per year. Company is aggressively looking to expand its operation globally.
