Dear Sir,

Magnus Prep's first free webinar series on "Career Crossroads - Choosing the Right Path" conducted online during July/August 2017, saw participation from more than 12,000 students across the country. Based on the good response, we seek to continue such sessions.

Magnus Prep, India's leading Career Development brand (a unit of FACE), will be making the free CareerGuidance Sessions for students, a regular monthly activity. This is open to students in the final year and pre-final year of college as well as for the 2017 batch pass-outs.

This month (23 Aug 2017 - 20 Sept 2017), our expert career counselor **Mr. Vijay Anand (Co-founder, Magnus Prep)** will take students on a quick session on how preparing for any one competitive exam can help them excel in placements. Through this exposure, they can will have prepared for an extra career choice and still perform well in the campus placement drives.

This **free career guidance session** is to be held live as a webinar (video conference).

We request you to kindly forward this email to all the students of 2017, 2018 & 2019 batches.
