

I am pleased to share with you that the department of Botany has received a grant for the molecular identification of microbes under RUSA II. You are requested to send Quotation separately with respect to the below mentioned services by 20th January 2026, (2.00pm)

- 1. Microbial Identification with two marker primers**
- 2. Fungal Identification**
- 3. Microbial Identification: DNA, QC, amplification, bidirectional sequencing deliverable: FSTA, ABI, and chromatogram with compiled report**
- 4. Antibacterial activity**

Munruchi Kaur,

Professor,

Department of Botany, Punjabi University. Patiala
